

Girl Scouts of California's Central Coast Council
Costa de Oro Service Unit

EQUIPMENT INVENTORY

Procedures and Inventory

The following items are available for 1-week check-out from the Costa de Oro Service Unit Equipment Inventory. Renewals for an additional week will be granted only if the item has not been requested by another volunteer.

The Costa de Oro Service Unit Lending Inventory is housed in storage units located off Patterson near the freeway. To check out an item, contact Marsha Hill at thehills@sbceo.org and indicate which item(s) you would like to pick up. They need lead time to get the items from the storage units. Follow the same procedure to return items. Items not returned in a timely manner, or returned in a damaged condition, will be replaced at the expense of the troop which checked it out. Note: the range is from a few dollars to about \$100.00 for a pop-up awning.
